

## WHAT IS MOBIX?

MOBIX is E-Group's complete solution that enables Video Relay Services (VRS) and Video Remote Interpreting (VRI) to match the need of communication for the Deaf and Hard of Hearing Community.

## WITH MOBIX

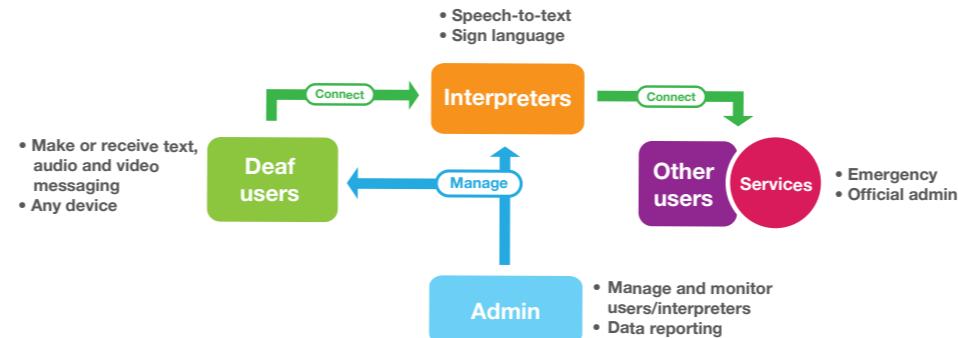

### Users can:

- Request sign language interpretation on-demand
- Send or receive text, audio, and video messaging
- Have access to remote translation of a conversation in place
- Use any device: smartphone, tablet or traditional computer

### Service operators/administrators can:

- Access data of usage, financial reports, and billing
- Manage call center infrastructure
- Manage users' subscription and interpreters' scheduling
- Receive service monitoring

## MOBIX SERVICE PLATFORM

## MOBIX ADVANTAGES

### ✓ Customization

We design, develop, and support a solution fully customized with the needs, color theme, and logos of your organization.

### ✓ Multimedia Communication

Users will be able to send or receive audio, video and text messaging.

### ✓ Complete

All-in-one streamline solution for users, interpreters and administrators.

### ✓ No Extra Device Needed

Android, iOS, and Web instant platform access.

### ✓ Speech-to-Text Enabled

Hands-free Integration—interpreters can speak to directly increase efficiency in translation relay.

### ✓ Resources Monitoring and Planning

Administrators have access to a comprehensive statistical report on usage, traffic, financial, and billing data.

### ✓ Continual Support

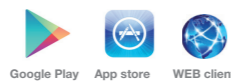

We provide constant technical support before, during, and after sales. Services include but not limited to: upgrade infrastructure as your need; serve as the liaison between your organization and the government.

## MOBIX IN ACTION: KONTAKT

KONTAKT is a voice Interpretation System developed for The Hungarian Association of the Deaf and Hard of Hearing (SINOSZ). It was developed by E-Group for SINOSZ in 2013-2014.

KONTAKT Interpreter Service in Europe is a new and modern video interpreting system for the deaf. It is aimed at hearing the same chances, the same quality communications services for disabled access to all parts of the country.

- KONTAKT has an average rating of 4.8 on extra fast deployment and acceptance of user community/less than 12 months
- 1:5 reduce in cost
